Dearest Luisa,

Enclosed is an envelope of letters / documents which I hope you don't mind passing on to Jose when he materializes in Lisboa again. I think he is in America right now, and I thought it was best just to send it to you. Thanks!

The letter to R.D.T. Int. is from Padre Domingos Soares. I hope you like the photo of the Cipinang Soccer Team! As you will have guessed, OMA is well and all communication facilities continue to be available .....

With love and hugs to you and Pinto,

Kinty xx oo
